## Commissioner for Patents

The reply filed on December 10, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants' reply is incomplete in that only the first eleven pages of the response have been received and are complete. Page 12 is present but is incomplete. Also, as a result, the amendment is unsigned. Applicants are required to furnish the Office with a complete response. It is regretted that this issue has not been brought to the applicants' attention sooner; however, the examiner only recently became aware that the response is incomplete. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any communication concerning this correspondence should be directed to R. Sergeant at (571) 272-1079.
